Brochure information. We print a brochure twice a year. We have an update sheet with new items once a month. For \$1.50 you receive the brochure but as new items are received the update is included. To receive just the update send a LSASE, and request update only. Each Logan Kit contains all fabrics and notions (excluding thread) necessary to complete garment illustrated. See kit description for view being sent. Please note that fabrics are NOT pre-cut. The kit contains enough fabric and notions to make 1 garment in the largest size. Kwik Sew patterns are master patterns. They include all sizes printed on heavy paper. You may trace off your size so the pattern may be used for more than one person.
